THE MARKET ADVANTAGE

My understanding of your home's value, along with my proven marketing ability makes me stand out among desert agents. I listen, communicate often, and provide advice you can trust. From effective pricing, to a marketing plan that ensures complete market exposure, you can rely on me to help you succeed.

Mark's Floor Plan Tours

Buyers find homes online first and MLS photos alone never do them justice. With Mark's Floor Plan Tours and professional photos, buyers get a completely different experience. **Buyers intuitively explore your home - room by room.** Agents get the equivalent experience which helps if they don't take the time to preview in person. The same tour is perfect for out-of-town buyers who typically need convincing that a house is truly worth a return trip.

Narrated walkthroughs are another great tool absentee buyers can use to explore online.
